

# **Indiana Logger Best Management Practices Training**

At the Harrison/Crawford Forest  
on July 19, 2008 from 8 am to 4 pm

Free to Loggers, Landowners, Contractors  
and anyone that would have an interest  
in maintaining water quality  
(from any county, 30 spaces available)

Certification will be provided by the  
Indiana Forestry Industry Council  
(Upon completion of the training)

Please call the Crawford County SWCD at  
812-338-3224 to reserve your place.

This class is designed as an introductory course to carry out  
forest management and maintaining water quality in Indiana.
